Dear Alexander:

I am sending you a copy of our documentation of the 1993 festival which includes the recording of your appearance with Misha Alexandrovicz.

There are also other groups on the tape which could be of some interest for you and your friends to see:

1. Theresienstadt ghetto with parts of a performance that the Vienna "Theater in der Josefstadt" gave at our 1993 festival presenting some of the culture that was going on in Theresienstadt.
2. Lena Róthstein with a sefardic music concert.
3. Brave Old World, which is meanwhile the best klezmer formation in USA.

I hope your tour was very successful. Your concert in Munich was a very special experience. Dr. Meyer from Augsburg called me and also proposed that we shall try to arrange another tour in 1997.

Have a good trip home and happy Chanukkah.
