THE HONORABLE AND DISTINGUISHED

Dear friends,

Thank you for your letter of January 22nd 1996.

I am happy that you finished your concert tour with good results and that you have in Moscow interesting concert possibilities for the next weeks.

I am especially happy that you liked „our“ concert in Karlsruhe.

Concerning your proposal for a new concert tour all over Germany my comment is very easy and simple: This tour must be managed and arranged in Hannover. There is Mr. Itzak's department „Europäisches Zentrum für Jüdische Musik“ of the „Staatliche Hochschule für Musik“ Hannover (that means financed by the government of Niedersachsen). So it is not the job of a private person like me to arrange an all German concert tour but the business of an institution with all the possibilities such as the one in Hannover.

It is clear that Karlsruhe - i.e. Alexander Goldenberg and myself - will always be ready to present your choir in the frame of such a tour in our city.

Mit freundlichen Grüßen
