Dear Sasha:

Lisa and I were deeply saddened to hear of your father's death. We wish you and your mother our sincere condolences.

You are such a dear friend of the entire Embassy community. Through your appearances at Spaso House and your wonderful work with the Male Jewish Choir and the Moscow Oratorio Society, you have won the admiration of many colleagues here. I know they all join us in offering you and your family their sympathy and prayers at this difficult time.

Sincerely,

A handwritten signature in blue ink that reads "Sandy Vershbow".
