„The ‚Night‘ Holocaust Concert“ im Congress Centrum Hannover (HCC)

Dear Mr. Tsaliuk,

January 27, 1945 is inextricably linked to German history. As an International Day to Commemorate the Victims of the Holocaust, the date has commemorated the liberation of the Auschwitz concentration camp since 2005. 2020 marks the 75th anniversary of this day. On this occasion, the Hanover region is bringing an international concert event to Hanover in cooperation with the Capital of Lower Saxony, Hanover, Villa Seligmann and the Association for International Understanding and Tolerance. "The 'Night' Holocaust Concert" stands for cohesion, memory and tolerance and will have its German premiere on Monday, January 27, 2020, 7 p.m. in the Congress Center Hanover (HCC), Theodor-Heuss-Platz 1, in Hanover.

We are very happy to have you as a contributor to this special project and therefore cordially invite you from Saturday, January 25th to Tuesday January 28th 2020 to Hanover. The rooms are booked for you in the DORMERO Hotel, Hildesheimer Str. 34.

With warm anticipation we look forward to beautiful and intensive encounters and a successful event
